BOOK CLUB NEWS FOR JUNE 2014

“Out of this world” just about perfectly describes what the University Club’s Book Group members are reading these days to prepare for their June 11 dinner meeting: *Five Billion Years of Solitude*, subtitled *The Search for Life Among the Stars.*

Reviewer Ray Sanders, a “published astronomer specializing in variable stars,” describes the book as “Both a primer on astrobiology and a collection of knowledge from some of the greatest minds in the field....(He) has created a book that is not only entertaining, but educational as well.”

Any University Club member is welcome to attend any Book Group meeting, all of which begin at 6 p.m., when participants gather in the Club’s front lounge for cocktails and conversation, followed by dinner and discussion of the current book in the VIP Room. Reservations for the June meeting must be made by noon June 9 by calling 338.5439.

For its July 10 meeting the group will read *The Language Of Flowers* by Vanessa Diffenbaugh.
