UC BOOK CLUB NEWS

The Heart by Maylis de Kerangal is the December UC Book Club selection. Dena Dillion will lead the discussion at this noon luncheon meeting scheduled Tuesday, December 12.

Three teenage boys go surfing and while driving home exhausted, the boys are involved in a fatal car accident on a deserted road. Two of the boys are wearing seat belts, one goes through the windshield. The physicians declare him brain-dead shortly after arriving at the hospital, but his heart is still beating.

The Heart takes place over the 24 hours surrounding the resulting heart transplant as life is taken from a young man and given to a woman close to death. This novel is an exploration notably of death but also of life, of humanity and fragility. De Kerangal makes a major contribution to both medicine and literature with this epic tale of grief, hope and survival.

UPCOMING UC BOOK CLUB SELECTIONS:

January: *Homo Deus* by Yuval Noah Harari

February: *Al Franken, Giant of the Senate* by Al Franken

March: *The End of Your Life Book Club* by Will Schwalbe

April: *Clementine: The Life of Mrs. Winston Churchill* by Sonia Purnell

New UC members are always welcome to this monthly book club event.
