SUMMER PROGRAMS

Offered by Recreational Services Division of Student Life

2014
MEET THE DIRECTORS

Recreational Services promotes healthy lifestyles to the University Community through recreational activities. We are eager to extend our services again this summer by offering tennis and swimming programs at the University Club. Age group, private, and adult programs will be offered as well as open swim and tennis.

Thirty years ago this summer I got my first tennis teaching job. It was located at a terrific club with 4 lighted courts, a pool next to them and a lot of wonderful people. The club also happened to be the place where I took my very first tennis lesson, taught by Jim Houghton. How lucky was I to have the opportunity to teach tennis at such a great place?

That great place was right here at the University Club! Here I am, years later, back in Iowa City and the University Club, still feeling grateful for the chance to teach tennis to all levels and all ages of players. Tennis is a lifetime sport and we hope to provide some lifetime memories for our club members this summer.

We have a full offering of tennis programming for you no matter your age or skill level. Please check out this brochure for lessons and play opportunities. If we do not have what you need, consider forming your own group.

Enjoy the courts this summer, you never know where that experience might take you!

I’m excited to start my second year as the Pool Manager at the University Club this summer! I have spent the last year finishing my degree in Secondary Science Education at the University of Iowa in addition to coaching both the Boy’s and Girl’s swim teams at West High School. My education, background in swimming, and past experience at the University Club should lend a hand in providing a safe and fun atmosphere at the pool this summer. As the season gets started I hope you all get excited about our educational and fun activities we have going on pool side! I’m looking forward to another great summer at the University Club and seeing all of you there!
